**PETITION TO ACCEPT UNINTENTIONALLY DELAYED CLAIM FOR PRIORITY**  
**UNDER 35 U.S.C. § 120 PURSUANT TO 37 C.F.R. § 1.78(a)(3)**

MAIL STOP PETITION  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Va 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. § 1.78(a)(3), Applicants, through their undersigned counsel, hereby petition the Commissioner to accept Applicants' unintentionally delayed claim for priority under 35 U.S.C. § 120. Applicants include herewith a Second Preliminary Amendment amending the application to include the claim for priority. Since this claim for priority is being made more than four months after the filing date of the instant application and more than sixteen months after the filing date of the priority application, Applicants

enclose herewith a check in the amount of \$1,330.00 for the surcharge under 37 C.F.R. § 1.17(t). The entire delay between the date the claim for priority was due under 37 C.F.R. 1.78(a)(2)(ii) and the date the claim is being filed was unintentional.

In the utility application transmittal accompanying Applicants' originally filed application, a copy of which is attached hereto, Applicants clearly indicated that they were filing a continuation application of an application being examined by Examiner A. Michael Chambers in Technical Art Unit 3753, but inadvertently omitted the application number. The application upon which priority was intended to be claimed was Application Serial No. 10/113,589, now U.S. Patent No. 6,634,374. As is clear from an examination of the file history of Application Serial No. 10/113,589, Examiner A. Michael Chambers in Technical Art Unit 3753 was the Examiner in charge of examining Application Serial No. 10/113,589. The instant application was filed on September 12, 2003 during the pendency of Application Serial No. 10/113,589 and names as inventors the same inventors as are named on Application Serial No. 10/113,589. As a result, Applicants were entitled to claim priority to Application Serial No. 10/113,589 when they filed the instant application.

The filing receipt for the instant application was mailed on January 12, 2004 and was not received by the office of Applicants' undersigned counsel until January 15, 2004. Thus, the filing receipt of the instant application was not even received by Applicants' counsel until more than four months after the filing date of the instant application and more than sixteen months after the filing date of the priority application (i.e., Application Serial No. 10/113,589). Neither Applicants nor Applicants' counsel became aware of the failure to claim priority under 35 U.S.C. § 120 until a recent review of the file was conducted.

Applicants are filing this petition promptly upon discovering their unintentional failure to claim priority under 35 U.S.C. § 120 upon Application Serial No. 10/113,589.

In view of the foregoing and the attached enclosures, Applicants respectfully request that their petition be granted and that the instant application be granted a claim of priority under 35 U.S.C. § 120 upon Application Serial No. 10/113,589.

Please charge any necessary fees associated herewith, including extension of time fees (if applicable and not paid by separate check), to the undersigned's Deposit Account No. 50-1111.

Respectfully submitted,

---
